Stage for Heroes. The stage... is not just a platform for performance, storytelling & art – it is also the springboard for the installation and cultivation of desired character and skill development, educational growth and a safe space for self-expressions, and emotional & social explorations.

Stage for Kids loves the stage and all that it represents; and will take all children on an adventure to becoming exceptional individuals. In other words; we shall strive to turn into heroes.

The weekly lesson plans will provide these early primary-school going children with age-appropriate challenges aimed to inspire, motivate, and cultivate different goals and objectives.

Stage for Heroes will be led by Teacher Emil; Founder, CEO & Principal Trainer for Stage for Kids Global & Inspiration for Kids International.

Teacher Emil has, for nearly two decades, trained both children and adults in the field of Drama Education, Speech, Behavior Technology, Personal Growth & Character Development in UK, USA, Japan, Malaysia & Singapore.
